

## **SEVERE WEATHER CONTINGENCY PLAN FOR SATURDAY, MAY 14, 2022**

### **ALL-UNIVERSITY MAY COMMENCEMENT CEREMONY IN FORD STADIUM**

As spring weather in Texas is highly unpredictable, SMU has developed a weather contingency plan that will be used to move the All-University Commencement indoors if the Friday evening forecast calls for severe weather on the morning of Saturday, May 14.

In the event of severe weather, the All-University ceremony will be moved to Moody Coliseum. Candidates will be limited to two guests. Candidate tickets, and guest tickets for Moody, will be required.
